

Amendment to the Specification

At Paragraph [02]:

This application also makes reference to:

United States Application Serial No. 10/657,390 (Attorney Docket No. 14185US02 01001P-BP-2800) filed September 8, 2003; and

United States Application Serial No. 10/660,267 (Attorney Docket No. 14274US02 01002P-BP-2801) filed September 11, 2003.

At Paragraph [50]:

As another exemplary embodiment of the invention, with reference to Fig. 8, a user of the media exchange network may push or otherwise communicate media such as "Vacation in Alaska Video" over a media channel to a friend who may be on the same media exchange network. A media guide user interface 800 may provide the user with the capability to select several quality of service (QoS) options or parameters 801 that may define how media may be pushed and/or otherwise transferred to over a media channel. United States Patent Application Serial No. 10/675,382 (Attorney Docket No. 14276US02) filed September 30, 2003 and United States Patent Application Serial No. 10/675,467 (Attorney Docket No. 14278US02) filed September 30, 2003 also provides exemplary media view or guide, device view or guide, and channel view or guide, and are hereby incorporated herein by reference in their entirety.
